

KUYKENDALL'S KLIPBOARD...

An Autumn Prayer

Dear Lord,

Grant that the autumn days may be our harvest season; that our lives may reap the harvest of a well-spent year. Let us take joy in the beauty of the flaming hillsides, with the glory of Indian Summer, with the ecstasy of the ripening grain; joyful in the harvest of our high hopes, in the garner of sweet memories, in the ripening of true friendships, in the reaping of bounteous blessings from the spring and summer labor; happy in the knowledge of some little kindness done, some great good gains; fulfilled in our God-given strength, our blessed hope, our humbled lives and loftier visions. Let these be our jubilant days, the days of our rejoicing.

Lord, Send a Revival!

Let's all start now to pray for those who will be leading our revival services. I know that I am in desperate need of "Revival" in my own walk with the Lord. Let us each evaluate our own hearts to seek God's face and how we can experience true revival in our lives!

A Personal Word of Appreciation!

The Kuykendall family would like to thank our church body for all the prayers, kind words, food, and other expressions of love shown to us during this time of my Granny's homegoing. We truly have a special church family. We love you all.

Grow →Glow → and Go!!

Love, Charlie
